Here are the suggested problems for your learning practice

- [Chap15 Practice Problems.pdf](#) [\\_download](#)

You are strongly encouraged to work through them collectively by sharing your work and/or posting your questions for the input of the class. However, you are NOT expected to submit your work to me. Please state the problem number in your post for our easy reference, thanks! The solutions will be posted after the class has the opportunity to work on (at least some of) these problems.
